## SOUTHERN HEMISPHERE WORLD THOROUGHBRED RANKINGS — 2005

### THREE-YEAR-OLDS AND UPWARDS

For three year olds and upward which, during the current year, have attained a rating of 115 or over and have run or been trained in countries whose season ran from 1st August 2004 to 31st July 2005 (1st July 2004 to 30th June 2005 in South America), or have in races open to outside competition been assessed by the World Thoroughbred Racehorse Rankings at a rating of 115 or above. Horses racing over different distances and being top, jointly top rated or rated the same over different distances, will be credited with such performances by the appending of the appropriate distance indicators. Ratings are calculated in units of 1lb and evaluated between August 1, 2004 and July 31, 2005. Horses with ratings achieved on dirt appear in *italic script*. Horses with ratings achieved on both turf and dirt are indicated by an asterisk (\*).
